Sir:

We would be glad if you  
would advise us as to the  
defect in the paper of Win-  
field Alford. Where applica-  
tion for Pension, stands  
suspended. We can make  
you. in relation to the ap-  
plication of Gen. Malley  
Some time since we  
have not heard from you.

I hope to complain by  
the Veterans, at the delay  
of Gov. Lake in having the  
Bond, printed, I hope that  
he will do so as soon as  
there are some who are in  
actual need:

Yours truly,
